

Launch of Storage Cloud 'WebStore' @ APSIT for faculties

Dear all faculties,

It gives us immense pleasure to announce that storage cloud service '**WebStore**' is activated for faculties and available 24*7 on Internet. In first phase faculties are supposed to use **WebStore** to upload attendance and defaulter lists as per the schedule mentioned in Institute Academic Calendar. Faculties have to ensure that they are allowed to upload files in .xls or .xlsx format only. Template of same will be mailed to faculties . In future other services will be also made available on **WebStore** and will be conveyed to faculties time to time. Please follow instructions given below to use **WebStore**.

1. To access **WebStore** use link <http://webstore.apsit.org.in/store.Link> is also made available at moodle.apsit.org.in.
2. Generate pin by using link given on front page of **WebStore**. Faculties will get pin on their registered mobile numbers which are as per Office Records.
3. Use Registered mobile number as **Username** and received pin as **password** to login into **WebStore**.
4. Click on activated Attendance and Defaulter List Link. Select required fields such as ACADEMIC YEAR, DEPARTMENT, SEMESTER and Click on SEARCH Tab.
5. Upload and download files by using respective links.

In case of any query contact Prof. Kiran Deshpande or Prof. Sachin Malave.
